(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

Mixed Finance Modernization or Development

We previously submitted our application and were approved for Disposition of Royal Gardens, SC27-1 (all 50 units); We then submitted an application and were approved to build 36 LIHTC units which were completed in October 2012 (Phase I of McGowan Commons) utilizing both the existing property of Royal Gardens (just a sliver) as well as utilizing additional purchased property surrounding the area which was included in the mixed financing venture.

We are now moving through the next step(s) necessary to provide a mixed financed housing community in that area of the city.

Our plans for PHASE II have been revised. The construction of twenty (20) public housing elderly units (Public Housing Project SC27-30) has been completed. We will be using a portion of the Royal Garden' property as well as purchasing an additional piece of adjacent property from our Non-Profit (Palmetto Housing Corporation).

We still have plans for a PHASE III (McGowan Commons) for some family units with mixed financing and possibly a PHASE IV (McGowan Commons) at this same location.

Demolition and/or Disposition

We currently have four (4) vacant lots (SC027-20) which have been HUD approved for disposition/demolition but final paperwork for the actual disposition has not yet been completed. We plan to explore possibilities for additional housing. We anticipate that there may be a need for one to two additional applications for DeMinimus Demolition/Demo/Disposition depending on structure issues and the PNA.

Project-Based Vouchers

We have 8 Project-based Vouchers at McGowan Commons which were part of PHASE I. We plan to use approximately 8 – 20 Project based vouchers at McGowan Commons during PHASE III possibly. Also, we are applying for VASH PBV.

Units with Approved Vacancies for Modernization

Under the Capital Fund Grant some modernization work may require taking units offline to complete.

Other Capital Grant Programs

We plan to apply for Security Grant.

Other New Activities or a continuing consideration:

1. We also plan to explore possibilities of a Transfer/Conversion of Public Housing from one or more of our small sites to the Housing Authority of Florence and if it is in the best interest of all parties, the transfer will be processed.
2. Authority wide we will be addressing/implementing "designation of buildings" pursuant with HUD regulations. First, we plan to explore possibilities of converting SC27-12 (Creekside Village) to an Elderly Project and if financially feasible we will make the conversion.
3. We have completed our GPNA and spreadsheets. Based on the results we plan to incorporate them into a 20- year plan with a "vision" for the greatest possible achievement for the future. This includes, but is not limited to, addressing/meeting 504/ADA needs/requirements; including green needs; including visitability; possibly purchasing additional property; partnering for investments/funding; etc.

4. Authority wide we will be reevaluating the RAD program, if financially feasible and HUD qualified/approved.
5. Authority wide we will consider and evaluate a non-smoking policy, we will follow all mandated HUD requirements.
6. Authority wide we will include a facilities management Salary study.

Homeownership Program

Additionally, a HUD Homeownership Program is not applicable but may be explored if there is a need, and if it is determined to be in our best interest to pursue this avenue, if it is financially feasible and HUD qualified/approved we will move forward.

B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

Progress Report:

HUD approved Five-Year Goals for the period 2015-2019 are listed below:

- **Explore efforts to improve management functions.**
We have taken steps to restructure the facilities management area. With the resignation/termination of the majority of employees assigned to this area, we evaluated the needs and decided to restructure in the best interest of the Housing Authority. We are still in the process and are making adjustments as needed.
- **Explore opportunities to expand leveraging private or other public funds to create additional housing opportunities.**
We have met with agencies, organizations and the City in an effort to develop partnerships that will enable the Housing Authority to become involved in the improvement of the CDBG targeted area of Florence i.e. commercial/retail/additional assisted housing. In the CDBG targeted area of Florence, we have constructed twenty (20) units of elderly public housing. We are continuing to work with the City to improve this CDBG targeted area. We have purchased adjacent property through our closely held Non-Profit. On one of these sites was a dilapidated convenience store which we have demolished and are doing preliminary research into developing this area. We continue to provide additional housing opportunities for mental health participants through the management of Pee Dee Place (19 units) and Pelican House (202 Program). We provide affordable housing opportunities for forty six (46) elderly residents.
- **Continue to renovate or modernize public housing units to make them more marketable.**
We installed vinyl siding on three of our AMPs, SC27-3, SC27-4, SC27-5 and 27-21 totaling 290 public housing units this past year. We have had one of our single family homes destroyed by fire. We plan to rebuild as a fully handicap accessible unit.
- **Explore/implement Public Housing or other homeownership opportunities.**
No progress this year.
- **Demolish or dispose of obsolete public housing.**
We are reviewing possible demolition/disposition of obsolete public housing where needed.
- **Continue to comply with Asset Management Regulations.**
We continue to comply with maintaining current policies and procedures and focusing on our goals. We maintain the designation as a High Performer and have sustained that designation since its inception. We are proud of this.
- **Continue to provide staff training to improve the quality of Assisted Housing.**
We continue to provide extensive on-going staff training through workshops, tech schools and adult education, on-site training, and other educational facilities.

<p>B.4.</p>	<ul style="list-style-type: none"> • Explore opportunities to conduct outreach efforts to potential voucher landlords. Continue to provide counseling and have a video presentation as part of our briefing packet as well as on-going information to current clients. We also encourage landlord participation through outreach efforts, making them aware of the program advantages through workshops and mail outs. All potential landlords are required to attend a workshop on the voucher program before their property can be listed on our property listings provided to Section 8 applicants/tenants (participants). We continue to conduct outreach and plans are underway for a Landlord Fair. • Continue to manage LIHTC property and to expand the other housing opportunities. Continue to manage LIHTC property and researching opportunities to expand other housing opportunities. • Continue to collaborate with other entities to provide affordable housing. The Housing Authority of Florence continues to collaborate with other entities to provide affordable housing through the management of three other Housing Authorities, other Non-Profits, other tax credit properties, two of which we share ownership. • Promote/attract supportive services to improve assistance in recipients' employability. Encourage scholarship participation through CCHRCO opportunities and assist with process; Partner with Florence School District 1 to provide training for parents and programs for children • Explore opportunities for residents' self-sufficiency and economic independence. We continue to partner with other Housing Authorities (workshops, training, sharing of information), community (non-profits), and government leadership (Mayor has been involved in our efforts to transform an obsolete community of public housing to a mixed finance project in the CDBG targeted area of the city; also involved in demolishing abandoned/dilapidated homes to clean up the communities.) <p>Most Recent Fiscal Year Audit.</p> <p>(a) Were there any findings in the most recent FY Audit?</p> <p>Y N <input type="checkbox"/> <input checked="" type="checkbox"/></p> <p>(b) If yes, please describe:</p>
